Dear authors,

Congratulations again on the acceptance of your submission! Please upload the eRights form and final versions of the papers by 'editing' the paper submission site by September 7, 9 PM PST.

* Title: RetroIoT: Retrofitting Internet of Things Deployments by Hiding Data in Underused Data Channels
* Site: https://mobicom22.hotcrp.com/paper/592

Please contact MobiCom 2022 PC Chairs <mobicom22-pc-chairs@acm.org> or the publication chair at mkotaru@microsoft.com with any questions or concerns.
